BEN FRANKLIN SAID

Save a little of thy income and thy hide bound pocket will soon begin to thrive and will never again cry with the empty belly ache, neither will creditors insult thee, nor want oppress, nor hunger bite - nor will nakedness freeze thee. The whole hemisphere will shine brighter, and pleasure spring up in every corner of thy heart.

HE WAS RIGHT

Just plain, common horse-sense ought to teach every man that Franklin was absolutely right, just as sure as two and two makes four. Creditors cannot insult you, nor can want press you if you have prepared for them by having something in the bank; besides, your money is SAFE in the bank, not only from fire or burglars, but from your own extravagance.

CHILDREN ARE INJURED.

Two Are Painfully Hurt in Minor Accidents in Calumet District.

While playing in the yard of the Ryan barn this week, John, the son of Postmaster John B. Ryan accidentally fell through the chute to the floor below and as he fell, his arm was caught on a projecting nail, lacerating his arm. The injury was dressed immediately and while very painful will not permanently incapacitate him.

The little son of Dr. and Mrs. O. H. Sorsen of Calumet was painfully burned about the neck one evening this week, at the lake shore. He was playing about a bonfire and accidentally came so close that his clothing was ignited.

BUTCHERS PLAN GALA FESTIVAL

Meat Cutters to Be Hosts at New Pleasure Park Wednesday

The butchers of Calumet will be hosts to people of the copper country Wednesday when they will conduct their sixteenth annual outing. Section 16 park has been chosen for the scene of the festival and plans for an elaborate fête have been made. Portage Lake, Torch Lake and Keweenaw meat dealers and butchers as well as the wholesalers from the lower end of the county, will assist and generally, it will be a holiday. Practically all meat shops in the two counties will be closed so as to permit employees to join the Calumet association.

About fifty local members, headed by the full Calumet & Hecla band, will parade to the car barns in the morning, when the visiting contingent will be met. Returning, the procession will lead west on Lake Linden avenue, north to Third street and thence to Red Jacket. The line of march then will proceed up Fifth street to Pine and west to the park. The Calumet butchers will wear white caps, aprons and coats. The wholesalers and proprietors will be guests of honor in the procession, a number of automobiles having been secured for their accommodation. James Craze will be grand marshal and his aides will be Joseph Fisher, Stanley Laity, Henry Limbach and J. J. Weeks. Ward Bennett will be president of the day, and W. J. Reynolds will be the speaker.

Plans prepared by the Calumet Aerie of Eagles, make it certain the annual picnic to be held at the Section 16 park Tuesday afternoon and evening will be one of the most notable ever attempted. It was announced today that Senator W. Frank James, Past President John McLaughlin, and District Deputy James Jewell of Hubbard will be the principal speakers.

The parade will form at the Calumet Odd Fellows' hall at 1 o'clock and headed by the C. & H. band, will proceed to Laurium where the Lake Linden and Hubbard Aeries, accompanied by the drill team will be met. Returning, the Eagles will march to Pine street where automobiles will be waiting to convey them and friends to the park. Dr. Otto H. Kuhlhaas will be grand marshal of the parade.

A fine list of sports will be provided at the park, including races for the children, indoor-outdoor baseball for the different Aeries, tug-of-war and other features. PETTY CASES IN JUSTICE COURTS

Party of Boys Charged With Damaging Rifle Range

Ten or twelve Tamarack and Swedetown boys were arrested this week on the charge of breaking into the range house of the Austrian Rod and Gun club of Calumet and smashing about \$20 worth of clay pigeons and other property. The boys admitted their misdeeds and after a sound lecture were given their liberty. It is hoped by the members of the Austrian Gun Club and the Calumet Engineers, who have been bothered in a similar manner that the lesson will be a lasting one and that they will have no future trouble.

In Justice Fisher's court Monday, Leo Wadioriski and John Sanikovich will be given an examination on the charge of gambling. Both were arrested on complaint of Victor Wowzanki, who alleges he engaged in a game of cards with the two men last Sunday and lost the sum of \$60. The first named was arrested and arraigned Thursday and the last mentioned was arraigned last evening, both demanding an examination.

Louis Sparring of Calumet was given an examination in Justice Medlyn's court at Ahmeek this morning on the charge of larceny. After several witnesses were examined, the case was dismissed for lack of evidence. Complaint was made by an Ahmeek man, Sam Filipovich was arraigned before Justice Medlyn at Ahmeek, this week on the charge of using indecent language in the presence of women. He entered a plea of guilty and after a sound lecture was dismissed upon payment of the costs.

Carl Symmons paid a fine of five dollars and costs in Justice Medlyn's court this week, on the charge of careless use of firearms.

RIFLE MATCH TOMORROW.

Members of the Calumet Engineers and the Houghton Light Infantry tomorrow will engage in a special rifle match on the Tamarack range, the second for possession of the Dr. Moore trophy.
